(e) It is recommended that students wait to purchase a digital camera until just prior to the 2nd Semester as features improve.

(f) It is recommended that students wait to purchase software as features improve.

NOTES:

1. Students may find better prices than Antonelli School Store prices, especially for bulk purchases.

2. All items in the kit are needed on the first day of the semester listed above.

3. If ordering through the School Store, you must place your order no later than July 15 to receive discount and to assure arrival by the first day of the semester.

4. Please be reminded that supply costs (over the cost of the semester kits) will total approximately \$1,350-\$1,650 for each academic year (see page 12 of the Interview Book given to you during the Admissions process and page 12 of the Academic Catalog).
